Is there any ETA I should expect a direct deposit? Haven't received any emails or messages with an update and would like to know whether or not I will be receiving a paycheck for the 50+ hours I worked for your company.

I will be more than glad to discuss this with you in person if it is required.

Luis,

It was processed over the weekend.

Please check your bank account later today once banks open for business.

Despite your suggestions to the contrary, your final (and only) pay was processed in compliance with the labor code.

Lastly, please refrain from contacting my staff and asking for personal loans and advances. This is entirely inappropriate.
