

Citizenship Information Request

We are excited that you are joining the Blue Link Wireless Team! As part of the conditions of your job offer from Blue Link Wireless, we need some information from you to apply for your ATTUID number. Once fully onboarded, this number will allow you to access AT&T training modules and other AT&T systems you will need to access customer records and make sales. We understand that this information is voluntary on your part, however without it we cannot apply for your ATTUID Number. If you decide not to fill this information out, you are forfeiting your job offer from Blue Link Wireless.
