Board Ethics and Communication Supervisor:

The Implementation and Application Department

Curriculum Development Team: CIS-5, CIS-96F

Extracurricular Administration Team: ComAnd

Following the Peralta Community College District's September 2023 Board of Trustees meetings, The Peralta Project aims to turn the Peralta Community College District's "2%" budgetary issue into student homework assignments, exam questions, and tutoring exercises for Laney College's artificial intelligence and business administration courses.

September 14th Meeting:

https://www.youtube.com/watch?v=JcLODksB-1I&t=15s

September 26th Meeting:

https://www.youtube.com/watch?v=9WaZtCaSKtI

This would allow students to analyze and fix the Peralta Community College District's budgetary issues while recovering equity with every successful student project.

The project is conducted in four phases:

Phase One: Direction and Organization.

Phase One will require the allocation of assets and These assets include and are not limited to potenti

Phase Two: Data Analysis.

Phase two will have members from the PCCD provide t The integrity of the data will then be reviewed by

Phase Three: Bias and Risk Mitigation.

All approved datasets submitted by the PFT, ASLC, A The final approval from the Bias and Risk Mitigatio

Phase Four: Implementation and Application.

TSV and CSV files provided to the Curriculum Develo Allowing for student homework assignments and exams Developments, projects, and assignments that provid

About

Proof of concept for a financial deficit recovery system developed in-house by the students and staff of the Peralta Community College District.
