Hi Luis,

For tomorrow, please plan to meet Isabel at the Niantic office in the San Francisco Ferry Building at 9:30 AM. Below are the directions to ensure a smooth arrival:

- The Niantic Office is on the second floor of the San Francisco Ferry Building (1 Ferry Building Suite 200 San Francisco, CA 94111).
- There are two ways to get there - the grand staircase or an elevator to the left of the staircase.
 - If taking the elevator, they will interact with the security team before being able to use it. When doing so, they should plan to mention that they are there for Niantic.
 - If taking the stairs, the security team is seated at the top - similarly, mentioning they are there for Niantic should allow them through.
- We are not the only occupants on the second floor. To find our front desk:
 - Exiting the elevator/coming from the stairs, go towards the left-wing/walk way opposite the stairs/elevator.
 - Go towards the Shack15 office where the entrance to our reception area is the well-labeled, glass-frosted door before the bathrooms.
 - When there, please ring in to our receptionist.
 - If unable to find us, no worries - security is very lovely about guiding folks to our door (I can speak from personal experience).
- If all else fails: Oliver and I will be onsite to ensure the team is able to find us.

If there are any issues finding the office, the security team is very helpful and can guide you. Additionally, Oliver and Isabel will be onsite to ensure everything goes smoothly.

Let me know if you have any questions

Thank you,

Hang Duong
