Dear Louie,

Starbucks is offering the option for you to access your W-2 digitally. You will no longer need to wait for your W-2 to arrive in the mail, instead you will be notified via email once it is available in January.

Registration takes only a few minutes and must be done by December 31. If you register after this date or choose not to register, your W-2 will be mailed to your address in My Partner Info.

To register and opt-in for your digital W-2, follow the instructions provided in the [Registering for Electronic W-2 Quick Reference Guide](#).

If all U.S. partners register for a digital W-2, we'll save three tons of paper!

Warm regards,  
Starbucks Recruiting & Onboarding Team
