Dear Luis,

Starbucks requires all new partners to complete the Form I-9, which is used for verifying the identity and employment authorization of individuals hired for employment in the United States.

Step 1: Complete Section 1 of your I9 form

[Click here to complete Section 1](#)

Step 2: Complete all other tasks assigned to you that are not marked "Completed".

Your I-9 Section 1 task will not say "Completed" yet. That's okay! Please don't try to do it again.

Step 3: Have your manager log into their system and complete I-9 Section 2

You will need to provide your manager with your identification that demonstrates your authorization to work. Your I-9 Section 1 task will show as "Completed" after your manager has finished their Section 2 task.

Warm regards,
Starbucks Recruiting & Onboarding Team
