Our study has two types of slots to pick from, a **Primary Participant session slot** and a **Back-Up participant slot**.

Please read the information below to learn more about each role to determine which type of slot you would like to book.

Primary Participant Overview:

As a Primary Participant, you will complete a session, where you will be asked to perform various tasks while being **recorded** using different media formats. These include a variety of **easy activities** like mimicking expressions, reading sentences, following targets with your eyes, gazing at different cameras, conversing with a research assistant and performing full body ranges of motion exercises.

- You will be **required to make four outfit changes** throughout the duration of your session. Please prepare and bring the following outfits to your session:
  - **1 Outfit in the clothes you walk in with**
  - **2 Separate outfits that are distinct from each other**
    - Examples include: winter and summer season outfits (long pants vs shorts, t-shirts vs sweaters, etc.).
  - **1 Set of full coverage undergarments (**see examples**)**
    - For men: briefs
    - For women:
      - Underwear: Classic cotton briefs or high-waisted underwear.
      - Sports Bra: A supportive sports bra OR regular bra
        - (nothing see-through or sheer)
- Participants will have 5 minutes to complete each of their outfit changes, therefore you should bring slip-on-shoes or sandals for quicker changing times.

Back Up Participant Overview

As a backup participant your role is to come to the venue at the moment of your booking and wait to see if a Primary Participant slot opens. You should arrive onsite with all the required items in case you are needed to become a Primary Participant.
If you are asked to fill in as a Primary Participant, the Primary Participant information and requirements above will apply to you. If you are not needed to fill in, you may be invited to book a new slot at a later time.

For Primary Participants and Back-Ups

- **Pay Rate**: You will receive **$50 per hour** that you are needed on-site.
- **Payment method**: Payments will be issued via a virtual gift card from giftpay.com
- **Expected duration:** Around **2 to 3h30,** depending on the slot you select/time you are needed on-site.
