Hi Luis,

We regret to inform you that your employment contract with Verse will end as of August 12, 2022. Unfortunately, your performance was not aligned with the company's. We've given you the opportunity to improve your performance and have provided you with a warning. Despite these chances, you failed to make the adjustments that we requested.

You can be sure that we didn't come to this decision lightly.

The company will pay you according to your time worked.

We appreciate your efforts and I wish you all the best moving forward.

Thank you,

Beth Cloutier
